

Floor Panels

Each panel has a maximum size of 48" x 96". Floor Panels offer an incredible amount of seating area at a reasonable cost. We often hear that they're also a great help in quieting a room. Call us for help in designing an area to perfectly fit your room. Available in Solo Teal, Blueberry, Plum or Midnight.

Comfortable, fun floor plans are ready for you to order for your library's children's section. Here are just a few of the standard selections to choose from, to show you the variety and comfort of the various pieces put together in creative ways.
