Select from an extensive range of modular components to create unique seating configurations such as: L-shapes, Banquettes, Waves, Curves, Semi-Circles, Circles and Squares. Available with your choice of: full back, bench and occasional tables, Stilts is the ideal modular seating solution for any commercial application.

Chair dimensions:

- Overall width: Single 28", Wave 44", Double 56"
- Overall height: Bench/Ottoman 32", Single/Wave/Double 18"
- Overall depth: 28"
- Seat width: Single 28", Wave 44", Double 56"
- Seat height: 18"
- Leg height: 7"

Seat:

Solid Alder seat frame with plywood exterior panels and reinforced solid Alder corner blocking. Seat is webbed and is layered with high quality foam for maximum user comfort for extended seating periods. A lining is provided between webbing and foam to ensure that the webbing does not cut into the foam and adds to the longevity of the chair. When upholstered with leather or vinyl, an additional lining is applied between foam and leather/vinyl to reduce friction and add to the comfort/ longevity of chair.

Back:

Alder frame with OSB centre pane. Birch back panel that is provided to maximize the life of the chair and prevent damage to the back of chair. Back is webbed and combined with medium/soft-sculpted foam for maximum comfort and durability. Outside back is covered with black cardboard (to maintain back shape) prior to foaming and upholstery.

Arms:

Arms are available as a custom option. Contact factory for arm options such as left, right, two arms and tablet arms.
