task lighting

## SEE YOUR WORK IN A PLEASING LIGHT

Verano brings the warmth and brightness of natural daylight to the desktop. Verano's high CRI and neutral color temperature will put your work in the best possible light.

Verano's unique mounting system allows you to rotate or slide the fixture as desired for glare-free performance. Plus, project managers will appreciate Verano's lightning fast install, LEED credit eligibility and the ability to daisy chain up to four units from a single transformer.

Eco and user friendly, Verano is a natural choice.

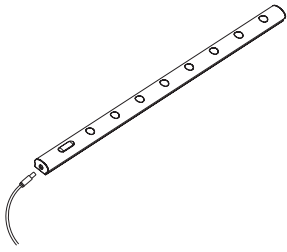

Let work  
come to Life.™
