Exposé Magazine

Graceful elegance combined with functionality characterises the Exposé Magazine. Use it to display magazines, brochures or books attractively. The movable shelves come in two widths and can be placed on either side of the centre column to build both single and double-faced displays.

Size W235/435 x D390/435 x H1865 mm.

Material Black epoxy coated centre column. Birch wood top and bottom, birch wood veneer shelves.

Design Bengt Weberg.
