

## K e s t r e l T a b l e

### Construction

**Worksurfaces:** 1.125" premium particle board core with laminate surface and phenolic backer is standard. Wood veneer, linoleum, marble, granite, or Corian may be specified at an additional cost.

**Edge Treatments:** Vinyl T-Mold, plywood or maple edgebanding, solid wood edge and laminate self-edge.

**Wire Management:** Various options exist to facilitate computer access, including power and data receptacles, CPU holder and keyboard trays. For detailed information please refer to our Power Data Guide.

**Leg (Kestrel - K):** Select North American solid maple legs squared and tapered with a concealed steel understructure. Available in 20", 24", 26" and 29".
